ORDER

By the Commission:

I. PRELIMINARY MATTERS

On July 25, 2006, pursuant to 83 Illinois Administrative Code Part 763, Citizens Telecommunications Company ("Citizens") and Aero Communications, LLC. ("Aero") filed a joint request for approval of their Negotiated Interconnection Agreement, pursuant to 47 U.S.C. Secs. 252(a)(1) and 252(e) of the Telecommunications Act of 1996, 47 U.S.C. Sec. 151, et seq. ("the Act"). The Agreement was submitted with the request. A statement in support of the request was filed, along with verifications sworn to by David Ruhland on behalf of Citizens, and Kristopher Twomey, on behalf of Aero, stating that the facts contained in the request for approval were true and correct.

Staff filed the Verified Statement of A. Olusanjo Omoniyi, a Policy Analyst with the Commission’s Telecommunications Division, who recommended approving the Agreement. The Administrative Law Judge therefore concluded that there were no contested issues in this docket and the record was marked “Heard and Taken.”

II. SECTION 252 OF THE TELECOMMUNICATIONS ACT

Section 252(a)(1) of the Act allows parties to enter into negotiated agreements regarding requests for interconnection, services or network elements. The parties have negotiated such an Agreement and they have submitted it for approval in this proceeding. (47 U.S.C. Sec. 252(a)(1)).
Section 252(e)(1) provides, in part, that "[a]ny interconnection agreement adopted by negotiation . . . shall be submitted for approval to the State Commission." This Section further provides that a State Commission to which such an agreement is submitted "shall approve or reject the agreement, with written findings as to any deficiencies." (47 U.S.C. Sec. 252(e)(1)). Section 252(e)(2) provides that the State Commission may only reject the negotiated agreement if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or that "the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity." Section 252(e)(4) provides that the agreement shall be deemed approved if the State Commission fails to act within 90 days after submission by the parties. (47 U.S.C. Secs. 252(e)(2) and (e)(4)).

Section 252(h) requires a State Commission to make a copy of each agreement approved under subsection (3) "available for public inspection and copying within 10 days after the agreement or statement is approved." (47 U.S.C. Sec. 252(h)). Section 252(i) requires a local exchange carrier to "make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement." (47 U.S.C. Sec. 252(i)).

III. THE AGREEMENT

The Agreement establishes the financial and operational terms for a variety of financial and operational relationships. It is renewable for six-month periods of time.

IV. STAFF’S POSITION

Staff has reviewed the Agreement based on the standards set forth in Section 252(e)(2) of the Act. Under this Section, the Commission may only reject an agreement, or any portion thereof, adopted by negotiation under subsection: if it finds that (i) the agreement, or any portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or (ii) the implementation of such agreement, or a portion thereof, is not consistent with the public interest, convenience and necessity.

Staff recommended that the Commission approve the Agreement, for the reasons set forth in the Verified Statement of Mr. Omoniyi. Mr. Omoniyi averred that the Agreement meets the standards set forth in the Act and that it is consistent with the public interest. Staff concluded that, since similarly-situated carriers can enter into essentially the same contract, the Agreement should not be deemed to be discriminatory. Staff concluded that the Agreement does not discriminate against a telecommunications carrier that is not a party to the contract and that the implementation of the Agreement would not be inconsistent with the public interest, convenience or necessity. No party contended that the Agreement is discriminatory or contrary to the public interest.
Staff also recommended that the Commission require Citizens, within five (5) days from the date upon which the Agreement is approved, to modify its tariffs to include the negotiated agreement for each service provided. Also, the Chief Clerk should place the Agreement on the Commission’s web site under "Interconnection Agreements." Staff’s recommendations are reasonable and they should be adopted.
