MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING is entered into this ______ day of
___________, 2004, by and between the University of Illinois at Chicago and the Young
Scientist Program at the University of Illinois at Chicago.

WITNESSETH

WHEREAS, the State of Illinois has the duty to provide for the health, safety, and welfare of its
residents; and

WHEREAS, the University of Illinois at Chicago, a part of the State of Illinois' Higher
Education system, has the goal of providing access to higher education for the residents of the
city and the state; and

WHEREAS, the Young Scientist Program is a program for 5th to 8th grade students that is
designed to provide extracurricular, accelerated education enrichment activities and where
students learn the scientific method of critical thinking through a curriculum that integrates
sciences, critical thinking, mathematics, reading, writing, listening and speaking, art and cultural
awareness as well as tours of museum to facilitate the learning process; and

WHEREAS, the parties shall enter into a grant or award agreement, to be effective for fiscal year
2005 and subject to compliance with all applicable State law and necessary certifications, on the
basis of the following terms, among others:

The University of Illinois at Chicago will agree:

1. To provide $250,000 in State funding to the Young Scientist Program so that it may help
continue to enrich the lives of the students that participate in the program.

The Young Scientist Program will agree:

2. To meet all duties and obligations imposed by state law respecting nonfederal-aid
projects;

3. To promptly pay all contractors engaged on projects undertaken pursuant to this
Memorandum of Understanding;

4. To assume the responsibility for its primary activities; and

The parties will mutually agree:

5. That, with respect to the University of Illinois at Chicago funding, project initiation will
be the responsibility of the Young Scientists Program and is to be coordinated with the
University of Illinois at Chicago.
IN WITNESS WHEREOF, the University of Illinois at Chicago and the Young Scientist Program have caused this Memorandum of Understanding to be executed by their authorized representatives on the ___ Day of __________, 2004.
