ECONOMIC DEVELOPMENT INITIATIVE

This bulletin may contain projects that Governor Blagojevich has deemed to be particularly important to the local economy. Because of the impact these jobs will have in creating jobs and making the region more attractive to businesses, CDB will rigorously enforce the project schedules. Please keep this in mind when submitting on economic development projects, which are designated in the bulletin descriptions.

POSTING OF THIS PUBLICATION ON OUR WEBSITE IS THE OFFICIAL ADVERTISEMENT OF BIDS

As specified in Illinois’ Procurement Code, bids must be posted on our website for 14 days prior to the bid opening. This publication, the Bid Information Newsletter, is CDB’s official procurement bulletin. It is posted to our website, www.cdb.state.il.us, on the 15th and the 30th of each month. The 14 days begins with each posting. A link to Rebid Notices can be found on our homepage under the “Procurement Opportunity Information” heading.
**Buy Illinois Program**

Under Governor Blagojevich's new "Buy Illinois" program, CDB is encouraging contractors to incorporate products manufactured, fabricated, or assembled in the State of Illinois. It is a voluntary program; there is no incentive provision affecting the award of the contract nor is there a required percent of the contract that must be Illinois products.

Illinois products will be indicated in the project manual with (IL) preceding the item in the specification paragraph. Typically, only specifications that are prescriptive, those listing three or more manufacturers, will be in the program. Contractors should consider these products when procuring the materials and equipment for the project. If the contractor is aware of an Illinois product not listed, the contractor is encouraged to advise the A/E prior to bidding or offer a product substitution with the bid. CDB will verify that the product meets the definition of an Illinois product and add it to CDB’s "Buy Illinois Product Directory."

Contractors should provide the total amount of Illinois products on the Contractor’s Schedule of Values (CSV) as indicated on the form. Where material is specified by standards and codes and not by a list of acceptable manufacturers, contractors are still encouraged to purchase Illinois products, though CDB will not track them.

To find out more about the program or add a company to the Directory please visit the CDB website at www.cdb.state.il.us or call Wayne Huckabee at 217/785-4250.
