NEW EXECUTIVE DIRECTOR NAMED AT CDB

At the June 10 board meeting, the Board approved Anthony D. Rossi as CDB’s Executive Director. Rossi has been working for House Speaker Michael Madigan for the past sixteen years and served as House clerk for the last eleven. He resides in Springfield and has four daughters, Rachel, Alex, Olivia and Natalie. He officially begins his new job June 24.

PAYMENT STATUS UPDATE

Good News! The Bureau of the Budget held a bond sale for our Capital Development Bond Fund, (Fund #141), and the School Construction Bond Fund, (Fund #143). The cash was received June 4, 2003 and by June 6, 2003, as promised, the State Comptroller’s Office had issued state checks for all payments on hold for the Capital Development Bond Fund and the School Construction Bond Fund.

Unfortunately, the Build Illinois Bond Fund, (Fund #971), is now currently out of cash. Based upon discussions with the Bureau of the Budget, CDB anticipates that cash will be available in mid-July. CDB and the State Comptroller’s Office are again making every effort to be able to quickly process vouchers when the cash becomes available.

You can check on the funding of your project on our website, www.cdb.state.il.us, by choosing the prompt on the left, “Fiscal Information”. Fiscal Inquiry screens and instructions are available. If you need assistance with the Fiscal Inquiry screens, please contact Joe Enlow at 217/782-9954.

This is a very difficult time for the Capital program. CDB appreciates the patience of our business partners in this matter and the commitment to CDB projects and the people of the State of Illinois. If you have further questions, please contact your project manager.

TEMPORARY PROJECT HOLDS REMAIN IN EFFECT

All CDB project bids, contract awards and modifications have been temporarily suspended subject to review by the Administration’s Bureau of the Budget (BoB). No projects have been canceled. Emergency and life safety projects are proceeding.

CDB continues to schedule bids and will take action on a project-by-project basis pending further direction from BoB. Please contact the project architect or project manager to assess the status of bid openings prior to attending a scheduled bid opening. When bid openings are canceled, bid dates will be rescheduled and posted on the Project Rebid page of our website (http://www.cdb.state.il.us/rebid.shtml).

We apologize for any inconvenience and will post any change to this policy on our website: www.cdb.state.il.us.
NEWSLETTER TO BE PUBLISHED ONLY ONLINE AFTER THIS ISSUE

To save production and postage costs, this publication will only be available electronically, via the Internet, starting with the August 2003 issue. This is the last printed copy of the newsletter to be mailed (posted to the website on June 20). The move is being made as part of the agency’s effort to reduce administrative costs in light of budget cuts.

POSTING OF THIS PUBLICATION ON OUR WEBSITE IS THE OFFICIAL ADVERTISEMENT OF BIDS

As specified in Illinois’ Procurement Code, bids must be posted on our website for 14 days prior to the bid opening. This publication, the Bid Information Newsletter, is CDB’s official procurement bulletin. It is posted to our website, www.cdb.state.il.us, on the 20th of each month. The 14 days begins with that posting. A link to Rebid Notices can be found on our homepage under the “Procurement Opportunity Information” heading.
