The Capital Development Board is the construction management arm of Illinois state government. It was created in July 1972 by the Illinois General Assembly to oversee all aspects of public construction financed wholly or in part by state funds.

This monthly publication, the Bid Information Newsletter (BIN), is provided free of charge to all CDB-prequalified design and construction firms to notify them of CDB programs and policy; to facilitate their participation in CDB construction projects; and for their use in tracking project information.

The information in this periodical is the legal advertisement required by the Illinois Procurement Code.

PAYMENT STATUS UPDATE

The Build Illinois Bond Fund, (Fund #971), is currently out of cash, however, based upon discussions with the Governor’s Office of Management and Budget (GOMB), CDB anticipates that cash will be available by the end of August. CDB and the State Comptroller’s Office are again making every effort to be able to quickly process vouchers when the cash becomes available.

The Governor’s Office is in the final stages of the review of CDB’s new and reappropriation bill, Senate Bill 1239. When the Governor signs the bill, the CDB and the Comptroller’s Office will establish the Fiscal Year 2004 accounts and be ready to resume processing vouchers.

You are encouraged to visit the Fiscal Information available on our website, www.cdb.state.il.us. Choose the prompt on the left, “Fiscal Information”, register and choose your own id and password, and then enter your project number on the third inquiry screen, Fund Inquiry by Project, to see if the Fiscal Year 2004 accounts are available. When the Fiscal Year 2004 accounts show up on the inquiry, then check on the first inquiry screen, Fiscal Inquiry by Project to check if your vouchers have been processed. Instructions are available to be printed from the website, or feel free to call Joe Enlow at 217/782-9954, if you need assistance. If you have further questions, please contact your CDB project manager.

If you are interested in establishing direct deposit for your payments, you must contact the State Comptroller’s Office directly at 217-557-0930.

TEMPORARY PROJECT HOLDS REMAIN IN EFFECT

All CDB project bids, contract awards and modifications have been temporarily suspended subject to review by the GOMB. No projects have been canceled. Emergency and life safety projects are proceeding.

CDB continues to schedule bids and will take action on a project-by-project basis pending further direction from GOMB. Please contact the project architect or project manager to assess the status of bid openings prior to attending a scheduled bid opening. When bid openings are canceled, bid dates will be rescheduled and posted on the Project Rebid page of our website (http://www.cdb.state.il.us/rebid.shtml).

We apologize for any inconvenience and will post any change to this policy on our website: www.cdb.state.il.us.

POSTING OF THIS PUBLICATION ON OUR WEBSITE IS THE OFFICIAL ADVERTISEMENT OF BIDS

As specified in Illinois’ Procurement Code, bids must be posted on our website for 14 days prior to the bid opening. This publication, the Bid Information Newsletter, is CDB’s official procurement bulletin. It is posted to our website, www.cdb.state.il.us, on the 20th of each month. The 14 days begins with that posting. A link to Rebid Notices can be found on our homepage under the “Procurement Opportunity Information” heading.
**Workshop Description**

Capital Development Board’s (CDB) Office of Training & Quality Management is conducting workshops for contractors new to CDB projects. The training format enables the participants to gain hands-on knowledge on CDB documents and procedures.

Learn effective communication, documentation and reporting.

Learn practical principals to keep your project on time.

These workshops are offered at **NO CHARGE** to attendees.

**Who Should Attend?**

This workshop is required for all new firms prequalifying with CDB and, CDB expects Contractor representatives to participate in this training. This 3-hour workshop is also open to any firm that desires to learn more about CDB and our project procedures.

**Agenda Items…**

- Bidding & Award
- Payment Process
- Change Orders
- Project Close-out

Notice

Revisions to Prevailing Wage Rates

Pursuant to Wages of Employees on Public Works Act (820 ILCS 130/1 et seq.) which provide in part that the contractor, subcontractors, etc. shall pay to all laborers, workmen and mechanics performing work under the contract, not less than the prevailing rate of wages as determined by the Illinois Department of Labor. The CDB hereby publishes the monthly changes of those rates as statutory notice of same. The contractor shall prominently post the current Schedule of Prevailing Wages at the project site, and shall notify immediately in writing all of its subcontractors, etc., of all changes in the Schedule of Prevailing Wages as the Contractor is informed by CDB through the CDB monthly bid information publication.

At press time the most recent revisions to the Prevailing Wage Rates were unavailable. The wage rates effective 09/01/03 will be effective through the end of September 2003. All contractors are directed to comply with the above statutory and contractual provisions.
