The Capital Development Board is the construction management arm of Illinois state government. It was created in July 1972 by the Illinois General Assembly to oversee all aspects of public construction financed wholly or in part by state funds.

This monthly publication, the Bid Information Newsletter (BIN), is provided free of charge to all CDB-prequalified design and construction firms to notify them of CDB programs and policy; to facilitate their participation in CDB construction projects; and for their use in tracking project information.

The information in this periodical is the legal advertisement required by the Illinois Procurement Code.

NOTICE OF HB 3048 REQUIREMENTS
NEW APPRENTICESHIP TRAINING REQUIREMENT

Illinois Governor Rod R. Blagojevich has signed into law amendments to the Illinois Procurement Code that impact all bidders on CDB projects. Effective June 1, 2004, all bidders must participate in apprenticeship and training programs that are both approved by and registered with the U.S. Department of Labor’s Bureau of Apprenticeship and Training. The program must be in the same trades that the firm performs. In addition, the requirement also applies to subcontractors.

Applicants for CDB prequalification will be further notified of the requirement, and CDB contract bid forms will require bidders to certify that they, and their subcontractors for the project are, at the time of bid, participating in an approved apprenticeship and training program. Proof of compliance may be requested.

See www.legis.state.il.us to read the new law, HB 3048 (Public Act 93-0642). For further information, or to inquire on how to participate or how a program complying with the new requirement can be set up in your area, please call Dave Wyatt at the U.S. Department of Labor at 312/596-5508, or see the U.S. Department of Labor website at www.doleta.gov/atels_bat/.

POSTING OF THIS PUBLICATION ON OUR WEBSITE IS THE OFFICIAL ADVERTISEMENT OF BIDS

The 14 days begins with each posting. A link to Rebid Notices can be found on our homepage under the “Procurement Opportunity Information” heading.
