The Capital Development Board is the construction management arm of Illinois state government. It was created in July 1972 by the Illinois General Assembly to oversee all aspects of public construction financed wholly or in part by state funds.

This monthly publication, the Bid Information Newsletter (BIN), is provided free of charge to all CDB-prequalified design and construction firms to notify them of CDB programs and policy; to facilitate their participation in CDB construction projects; and for their use in tracking project information.

The information in this periodical is the legal advertisement required by the Illinois Procurement Code.

GOVERNOR BLAGOJEVICH LAUNCHES OPPORTUNITY RETURNS INITIATIVE

In the fall of 2003, Governor Blagojevich launched a new initiative to increase economic opportunity. The initiative, known as “Opportunity Returns,” will deliver a variety of projects and services to help each region create jobs and become more attractive to businesses. Because of the importance of this initiative, CDB will rigorously enforce schedules on CDB’s "Opportunity Returns" projects. Please keep this in mind when bidding on "Opportunity Returns" projects, which are designated in the bulletin descriptions.

POSTING OF THIS PUBLICATION ON OUR WEBSITE IS THE OFFICIAL ADVERTISEMENT OF BIDS

As specified in Illinois’ Procurement Code, bids must be posted on our website for 14 days prior to the bid opening. This publication, the Bid Information Newsletter, is CDB’s official procurement bulletin. It is posted to our website, www.cdb.state.il.us, on the 15th and the 30th of each month. The 14 days begins with each posting. A link to Rebid Notices can be found on our homepage under the “Procurement Opportunity Information” heading.
