I. Need for Services:

Pursuant to the Technology Development Act (P.A. 92-0851), the Treasurer may deposit moneys into the Technology Development Account (“Account”), which may be used to provide venture capital to Illinois venture capital firms for investment in technology businesses seeking to locate, expand, or remain in Illinois. A copy of the Act is attached.

The Treasurer’s Office will be using a “fund of funds” approach in investing Account moneys. We have discussed possible areas of investment including first time & economic development funds, start ups, mezzanine, late stage funds, biotech companies and Small Business Investment Companies, but would like the expert advice of investment professionals to determine proper asset allocation. Although the primary goal is to maximize the State’s return on its investment, other goals may be considered for a limited part of the portfolio such as investing in untapped or under-funded areas of the state. We believe that input from experts is the most prudent way to determine how to best invest the State’s funds and hope to receive such guidance in submitted proposals.

The Treasurer is seeking an External Investment Advisor (“Advisor”) to provide asset allocation and investment recommendations. The Advisor will be expected to prepare a suggested asset allocation for consideration and approval by the Treasurer and/or her staff. The Advisor will perform all background review functions, from initial prescreening to full due diligence, focusing primarily on the financial performance of the funds. (Over time, the Treasurer’s Office staff may develop the expertise necessary to perform the prescreening, thereby saving the expense associated with this function.) Investment recommendations made by the Advisor will be submitted to a review board (“Board”), which will consist of members of the public and private sector. The Board will make its own recommendations from the Advisor’s list. In making their recommendations, the Board may take into account not only the financial track records of the funds, but other factors, including the area of investment and furtherance of other investment goals. The Board’s recommendations will be submitted to the Treasurer. The Treasurer or her designee may authorize investments with approved funds.

A law firm will be retained to negotiate and draft any agreements between the State and approved venture capital firms regarding investment of Account moneys.
II. Term:

The term of the agreement shall be four (4) years from the date of its execution. The Treasurer, in her sole discretion, may exercise her right to renew these services for additional six month periods as permitted by the Treasurer’s Procurement Code (44 IL ADC 1400).
