ORDER

By the Commission:

I. PRELIMINARY MATTERS

On July 31, 2007, pursuant to 83 Illinois Administrative Code Part 763, Illinois Bell Telephone Company (“AT&T”) and New Cingular Wireless, PCS, LLC (“Cingular”) filed a joint request seeking approval of the First Amendment to their Negotiated Interconnection Agreement, pursuant to 47 U.S.C. Secs. 252(a)(1) and 252(e) of the Telecommunications Act of 1996, 47 U.S.C. Sec. 151, et seq. (“the Act”). The Agreement was submitted with the request. A statement in support of the request was filed, along with verifications sworn to by Eddie Reed, the Director of Contract Management for AT&T, and Michael Van Weelden, Cingular’s Director of Supply Chain Management, stating that the facts contained in the request for approval were true and correct.

Staff filed the Verified Statement of A. Olusanjo Omoniyi, a Policy Analyst with the Commission’s Telecommunications Division, who recommended approving the Agreement. The Administrative Law Judge therefore concluded that there were no contested issues in this docket and the record was marked “Heard and Taken.”

II. SECTION 252 OF THE TELECOMMUNICATIONS ACT

Section 252(a)(1) of the Act allows parties to enter into negotiated agreements regarding requests for interconnection, services or network elements. The parties have negotiated such an agreement and they have submitted it for approval in this proceeding. (47 U.S.C. Sec. 252(a)(1)).
A state commission to which such an agreement is submitted must approve or reject the agreement, and make written findings as to any deficiencies. (47 U.S.C. Sec. 252(e)(1)). Section 252(e)(2) of the Telecommunications Act requires that a state commission may only reject a negotiated agreement if it finds that “the agreement (or portion thereof) discriminates against a telecommunications carrier (that is) not a party to the agreement” or that “the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.” (47 U.S.C. Sec. 252(e)(2)). Section 252(e)(4) of the Act further provides that the agreement shall be deemed approved if the State Commission fails to act within 90 days after submission by the parties. (47 U.S.C. Sec. 252(e) (4)).

Also, according to Section 252(h) of the Act, a state commission must make a copy of each agreement approved under subsection (3) "available for public inspection and copying within 10 days after the agreement or statement is approved." (47 U.S.C. Sec. 252(h)). Section 252(i) requires a local exchange carrier to make available any interconnection, service, or network element provided under an approved agreement to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement. (47 U.S.C. Sec. 252(i)).

III. THE AMENDMENT

The Amendment adds various rates, terms and conditions of Reciprocal Compensation for ISP-bound traffic, as well as Section 251(B)(5) traffic. It does not modify any other terms or conditions in the original contract. It also does not modify or extend the term of the Agreement.

IV. STAFF’S POSITION

Staff reviewed the Amendment based on the standards set forth in Section 252(e)(2) of the Act. Staff recommended that the Commission approve the Amendment, for the reasons set forth in the Verified Statement of Mr. Omoniyi. Mr. Omoniyi averred that the Amendment meets the standards set forth in the Act and that it is consistent with the public interest. Staff concluded that since similarly-situated carriers can enter into essentially the same contract, the Amendment should not be deemed to be discriminatory. Staff concluded that the Amendment does not discriminate against a telecommunications carrier that is not a party to the contract and that the implementation of the Amendment would not be inconsistent with the public interest, convenience or necessity. No party contended that the Amendment is discriminatory or contrary to the public interest.

Staff also recommended that the Commission require AT&T, within five (5) days from the date upon which the Amendment is approved, to modify its tariffs to include the Amendment for each service provided. Also, the Chief Clerk should place the Amendment on the Commission’s web site under "Interconnection Agreements." Staff’s
recommendations are reasonable and they should be adopted.
