Having served in the U.S. Armed Forces — first as a paratrooper in the Army’s 101st Airborne Division, then later as a member of the Illinois National Guard, I understand the sacrifices veterans have made for our country and share their pride.

My office offers several military license plates to honor those who have served this great country. If you qualify for any of these special military plate categories, I encourage you to proudly display these plates on your vehicle and get the recognition you deserve.
