AMENDATORY ORDER

By the Commission:

On January 10, 2008, The Peoples Gas Light and Coke Company and North Shore Gas Company (“Movants”) filed a Motion for Extension of Time to Complete Audit. Movants stated that the Commission’s August 16, 2006, order (“Order”) requires the submission of the final audit report to the Commission by February 16, 2008. Movants further stated that, pursuant to the Order, Movants are reviewing draft reports from the auditor, and that the drafts are very detailed. Movants stated that a two-month extension of the report deadline would permit a more thorough review by the Movants and additional discussions and exchanges of information with the auditor that may result in the final report addressing technical questions more comprehensively and would enhance the Movants’ understanding of the auditor’s conclusions and recommendations. As with the rest of the audit and consistent with the Order, Movants agree to pay the costs associated with such an extension.

The Commission, having reviewed the Motion and being fully advised in the premises, is of the opinion and finds that approval of the requested extension is in the public interest.

IT IS THEREFORE ORDERED that The Peoples Gas Light and Coke Company’s and North Shore Gas Company’s Motion for Extension of Time to Complete Audit is granted.

IT IS FURTHER ORDERED that page 2, Paragraph 4, describing the Joint Proposal, second sentence, of the Commission’s August 16, 2006, Order in this proceeding is amended such that the final management audit report shall be submitted to the Commission on or before April 16, 2008.
IT IS FURTHER ORDERED that, subject to the provisions of Section 10-113 of the Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By Order of the Commission this 30th day of January, 2008.
