| Petition for Relief to Protect Portions of Prairie Point Energy, L.L.C.’s Report of Continued Compliance as an Alternative Gas Supplier from disclosure for not less than five years in order to protect highly confidential and proprietary information. | : | : |

ORDER

By the Commission:

On January 29, 2008, NAE filed with the Commission a verified petition seeking proprietary treatment for Exhibit A attached to its Report of Continued Compliance. Exhibit A is a copy of the Standard & Poor’s report on the financial health of NAE’s parent company, Nicor, Inc. On February 1, 2008, the Administrative Law Judge issued a ruling requesting further support for protecting Exhibit A from public disclosure. In response, NAE filed a Motion to Withdraw on February 11, 2008 seeking to withdraw its January 29, 2008 petition. NAE also requests in its motion that the confidential label on its Exhibit A attached to its Report of Continued Compliance be removed.

Given the public nature of the contents of Exhibit A attached to NAE’s Report of Continued Compliance, the Commission concludes that the withdrawal of NAE’s petition is appropriate. Staff did not participate in this proceeding. No petitions to intervene were received. Nor were any hearings held in this matter.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that the
February 11, 2008 Motion to Withdraw filed by Prairie Point Energy, L.L.C. d/b/a Nicor Advanced Energy LLC is hereby granted and that this matter is dismissed without prejudice.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By order of the Commission this 27th day of February, 2008.
