2) 5% of the annual amount paid by the corporate taxpayer in providing the child care facility for the children of its employees. (IITA Section 210.5(a))

The 30% credit for start-up costs is allowed only for tax years ending on or before December 31, 2004. The 5% credit for annual expenses is allowed for all years ending on or after December 31, 2000 and is exempt from the sunset provisions of IITA Section 250.

b) To receive the tax credit under IITA Section 210.5, a corporate taxpayer must either independently provide and operate a child care facility for the children of its employees or join in a partnership with one or more other corporations to jointly provide and operate a child care facility for the children of employees of the corporations in the partnership. (IITA Section 210.5(a)) Amounts paid to a child care facility that is not operated by the taxpayer or by such a partnership do not qualify for the credit. For purposes of this credit, a "child care facility" is limited to a child care facility located in Illinois. (IITA Section 210.5(c))

c) For purposes of this credit, the term "start-up costs" qualifying for the 30% credit means the cost of planning, site-preparation, construction, renovation, or acquisition of a child care facility. (IITA Section 210.5(c)) Such costs are the capital expenditures incurred in creating a new facility or expanding an existing facility, both tangible and intangible. In the case of a capitalized asset, the 30% credit is allowed in the year the asset is placed in service in the child care facility.

1) Uncapitalized expenses incurred in connection with the child care facility prior to commencing operations are start-up costs. For example, salaries paid prior to the opening of the facility to the employees hired to operate the facility are start-up costs. Such expenses qualify for the 30% credit in the tax year expensed, even if the facility is not in operation by the end of the tax year.
NOTICE OF PROPOSED AMENDMENT

2) **Capital expenditures that are expensed rather than depreciated under IRC Section 179 qualify as start-up costs in the same manner as expenditures that are actually capitalized and amortized.**

3) **In the case of property previously acquired by the taxpayer and later converted to use in the child care facility, the start-up cost shall be the adjusted basis of such property at the time of conversion, plus any capital costs of renovation or modification to make the property ready for use in the child care facility.**

4) **Any expenditure that qualifies for the federal employer-provided child care credit as an amount paid or incurred to acquire, construct, rehabilitate or expand property to be used in a new or expanded child care facility under the provisions of IRC Section 45F(c)(1)(A)(i) shall qualify for the 30% credit, even if the requirements of IRC Section 45F(c)(1)(A)(i)(II) or (III) are not met and provided that the facility is operated by the employer corporation or a partnership described in subsection (b).**

**EXAMPLE:** An employer acquires a building to be used as a child care facility and the land on which the building is located. The cost of the building qualifies for the federal credit, but the cost of the land does not qualify because IRC Section 45F(c)(1)(A)(i)(II) provides that only depreciable property may qualify for the federal credit. The cost of both the building and the land will qualify for the credit allowed under this IITA Section 210.5.

d) **The annual amount paid by the employer qualifying for the 5% credit shall include all expenses (including depreciation and amortization) incurred in connection with the operation of the child care facility that are deducted during the taxable year. Depreciation and amortization of capitalized items and IRC Section 179 deductions qualify for the credit whenever the original expenditure qualified as a start-up cost for the 30% credit, provided that the asset continues to be used in the operation of the child care facility. In the year the facility commences operations, only expenses deductible in the period after the commencement of operations qualify for the 5% credit. Expenses of the facility deducted prior to the commencement of operations qualify only for the 30% credit as start-up costs. Any expense qualifying for the federal employer-provided child care credit under IRC Section 45F(c)(1)(A)(ii) for a tax year shall also qualify for the 5% credit in the same tax year. Any expense for which the employer claims the 5% credit authorized under this Section cannot qualify for the 5% Dependent**
NOTICE OF PROPOSED AMENDMENT

Care Assistance Program Credit under IITA Section 210. (See IITA Section 210.5(a).)

e) Any credit allowed under this Section that is unused in the year the credit is earned may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year until it is used. (IITA Section 210.5(b)) Any 30% credit earned in tax years ending on or before the December 31, 2004 sunset date may be carried forward to tax years ending after that date. The credit must be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, then the earlier credit must be applied first. (IITA Section 210(b))

f) A corporate taxpayer claiming the credit provided by IITA Section 210.5 needs to maintain records sufficient to document the costs associated with the provision of a child care facility and the "start-up costs" expended to provide a child care facility. Documentation must take the form of vouchers paid, cancelled checks or other proof of payment. Should the expenditure not be solely for child care, the documentation should explain how the amount allocated for child care was determined.

If the child care provided includes care for non-employee children, the costs must be allocated between employee children and non-employee children. The method of allocation used must be reasonable and documented.

g) The credit is allowed only to corporations subject to tax under IITA Section 201(a) and (b). Neither Subchapter S corporations nor shareholders of Subchapter S corporations are allowed to claim the credit.

2) **Code Citation:** 23 Ill. Adm. Code 2733

   2733.20 Amendment

4) **Statutory Authority:** Implementing Section 40 and authorized by Section 20(f) of the Higher Education Student Assistance Act [110 ILCS 947/40 and 20(f)].

5) **A Complete Description of the Subjects and Issues Involved:** This amendment modifies the Applicant Eligibility criteria set forth in Section 2733.20. The Illinois Veteran Grant provides grants covering tuition and certain fees for qualified veterans attending State universities and community colleges. Under existing administrative rules, Illinois residents who were members of a Reserve component and who were called to active duty for at least one year, or at least one day in a foreign country in a time of hostilities in that country, needed to have completed their initial enlistment contract before they were eligible to receive the Veteran Grant. In addition, members of the National Guard were not eligible for the Veteran Grant while they were active in the Guard. Both of these limitations are being withdrawn in order to provide more equitable access to educational benefits for active-duty National Guard and Reserve members consistent with those provided to military personnel in the regular component of the U.S. Armed Forces.

AUTHORITY: Implementing and authorized by the Riverboat Gambling Act [230 ILCS 10].

SUBPART B: LICENSES

Section 3000.244 Surrender of Supplier's License

a) Except as otherwise provided in the Act and this Part, a licensed Supplier may petition the Board, in writing, for permission to surrender its Supplier's License. The petition shall contain facts setting forth good cause for the surrender of the Supplier's License.

b) The Board may grant the petition, deny the petition or set the petition for hearing before a duly appointed Administrative Law Judge. The Board may deny a petition to surrender a Supplier's License if the petition fails to comply with any of the requirements of subsection (a) of this Section.
c) If the petition to surrender a Supplier's License is set for hearing, the petitioner shall bear the burden of going forward and proving by a preponderance of the evidence that good cause exists for surrender of the Supplier's License.

d) A licensed Supplier may not, without Board approval, surrender its license during the pendency of a disciplinary action against that licensed Supplier.

e) The surrender of a Supplier's License does not become effective until the Board has taken final action. The surrender of a Supplier's License does not relieve the former licensed Supplier of any penalties, fines, fees, taxes or other obligations due.

f) The Board's denial of a petition to surrender a Supplier's License is a final decision that becomes a final order on the date the Board denies the petition. Judicial review of the final order of the Board shall be conducted in accordance with the Administrative Review Law [735 ILCS 5/Art. III] pursuant to Section 17.1(b) of the Riverboat Gambling Act [230 ILCS 10/17.1(b)].

SUBPART D: HEARINGS ON NOTICE OF DENIAL, RESTRICTION OF LICENSE OR PLACEMENT ON EXCLUSION LIST

Section 3000.400 Coverage of Subpart

The rules contained in this Subpart shall govern all hearings requested upon issuance of a Notice of Denial or Restriction of licensure, Notice of Denial of an application for transfer of ownership interest, or a Notice of Placement on the Board Exclusion List, or a Petition for Removal from the Board Exclusion List. Hearings under this Subpart are de novo proceedings for the creation of an evidentiary record regarding restriction of license, the placement of an individual on an exclusion list or an applicant's suitability for licensure or transfer. A hearing under this Subpart is not an appeal of Board action.

(Source: Amended at 28 Ill. Reg. 12824, effective August 31, 2004)

Section 3000.425 Proceedings

a) The burden of proof is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing by clear and convincing evidence either
that the petitioner is suitable for licensing or a transfer of ownership, or that the petitioner should not be excluded under Section 3000.720, or that the petitioner's name should be removed from the Board Exclusion List.

b) Any testimony shall be given under oath or affirmation.

c) Both parties may present an opening statement on the merits. Petitioner proceeds first.

d) The petitioner shall then present its case-in-chief.

e) Upon conclusion of the petitioner's case-in-chief, the respondent may move for a directed finding. The hearing officer may hear arguments on the motion or may grant, deny or reserve decision thereon, without argument.

f) If no motion for directed finding is made, or if such motion is denied or decision reserved thereon, the respondent may present its case.

g) Each party may conduct cross-examination of adverse witnesses.

h) Upon conclusion of the respondent's case, the petitioner may present evidence in rebuttal.

i) Both parties may present closing argument. The petitioner proceeds first, then the respondent and thereafter the petitioner may present rebuttal argument.

(Source: Amended at 28 Ill. Reg. 12824, effective August 31, 2004)

SUBPART G: EXCLUSION OF PERSONS

Section 3000.740 Petition for Removal from Exclusion List

a) Any person who has been placed on the Board Exclusion List may, after the expiration of one year from the date of placement on the list or from the conclusion of any hearing or appeal associated with placement on the list, whichever is later, petition the Board, in writing, and request that his or her name be removed from the list. The petition shall be verified and state with specificity facts believed by the petitioner to constitute clear and convincing evidence for removal of his or her name from the list. The petition shall be notarized and shall include a certification in the following form:
The undersigned certifies that the statements set forth in this petition are true and correct, except as to matters therein stated to be on information and belief and as to such matters the undersigned certifies as aforesaid that he verily believes the same to be true.

b) The Board shall either deny the petition or set the petition for hearing. The Board may deny a petition for removal from the Board Exclusion List if the petition fails to comply with any of the requirements of subsection (a) of this Section or if the facts contained in the petition are the same or substantially the same facts that the petitioner set forth in a request for hearing under Section 3000.405 or previous petition for removal under this Section. In the event the Board elects to set the petition for hearing, the procedures specified in Subpart D of this Part, with the exception of Section 3000.405(a), (b), (c) and (d), shall apply.

c) Any information, including the record of evidence and testimony, if any, used by the Board in making its original determination to exclude petitioner may be considered by the Board, provided, however, that the record shall not be reopened.

d) The Board's denial of a petition for removal from the Exclusion List is a final decision of the Board. Judicial review of the final order of the Board shall be conducted in accordance with the Administrative Review Law [735 ILCS 5/Art. III] pursuant to Section 17.1(b) of the Riverboat Gambling Act [230 ILCS 10/17.1(b)].

Any person who has been placed on any Exclusion List may petition the Board in writing and request that his name be removed from this list.

8) A copy of the emergency amendment, including any materials incorporated by reference, is on file in the agency's principal office and is available for public inspection.

9) **Reason for Emergency:**  
   This emergency amendment is being filed pursuant to the State's fiscal year 2005 budget plan. The parent assist (FamilyCare) income eligibility standard is being increased from 90 percent to 133 percent of the Federal Poverty Level. This program eligibility expansion will facilitate access for more families to necessary medical services. Emergency rulemaking is specifically authorized for the implementation of this change for fiscal year 2005 by Section 5-45 of Public Act 93-0841.

10) **Complete Description of the Subjects and Issues Involved:**  
    This emergency amendment provides eligibility expansion for the KidCare Parent Coverage Waiver program (FamilyCare) by increasing the income eligibility standard from 90 percent to 133 percent of the Federal Poverty Level (FPL). The Department received federal approval in 2002 to increase the standard for parents up to 185 percent of the FPL. This program eligibility expansion will allow access for more families to necessary medical services. NOTICE OF EMERGENCY AMENDMENT

1) **Heading of the Part**: Illinois Veteran Grant (IVG) Program

2) **Code Citation**: 23 Ill. Adm. Code 2733

3) **Section Number**: 2733.20  
   **Emergency Action**: Amendment

4) **Statutory Authority**: Implementing Section 40 and authorized by Section 20(f) of the Higher Education Student Assistance Act [110 ILCS 947/40 and 20(f)].

5) **Effective Date of Amendment**: September 15, 2004

6) **If this emergency amendment is to expire before the end of the 150-day period, please specify the date on which it is to expire**: This emergency amendment will expire when the proposed amendment is adopted.

7) **Date Filed with the Index Department**: September 7, 2004

8) **A copy of this emergency amendment, including any material incorporated by reference, is on file in the agency’s principal office and is available for public inspection.**

9) **Reason for Emergency**: Recent hostilities in Iraq and Afghanistan have seen the mobilization of National Guard and Reserve members to serve alongside military personnel from the regular component of the U.S. Armed Forces on an unprecedented scale. The circumstances of this federal active duty faced by National Guard and Reserve members have created a situation that was not previously confronted in the IVG program, and which if left unaddressed, would leave the Guard and Reserve members at a disadvantage in obtaining educational benefits. The proposed amendments are necessary to provide equitable access to educational benefits and are consistent with recent federal initiatives to enhance education benefits for active-duty National Guard and Reserve members. As a result of recent discussions among representatives from ISAC, the Lieutenant Governor's office, the Department of Veterans' Affairs, and the Illinois National Guard, it was concluded that action is necessary at this time to avoid any further disruption to the plans of the increasing numbers of active-duty troops returning home to Illinois from service in areas of hostilities, and seeking to further their educational goals, some as early as this fall term.

10) **A Complete Description of the Subjects and Issues Involved**: This amendment modifies the Applicant Eligibility criteria set forth in Section 2733.20. The Illinois Veteran Grant provides grants covering tuition and certain fees for qualified veterans attending State
universities and community colleges. Under existing administrative rules, Illinois residents who were members of a Reserve component and who were called to active duty for at least one year, or at least one day in a foreign country in a time of hostilities in that country, needed to have completed their initial enlistment contract before they were eligible to receive the Veteran Grant. In addition, members of the National Guard were not eligible for the Veteran Grant while they were active in the Guard. Both of these limitations are being withdrawn in order to provide more equitable access to educational benefits for active-duty National Guard and Reserve members consistent with those provided to military personnel in the regular component of the U.S. Armed Forces.

21) **Are there any proposed amendments to the Part pending?** No

22) **Statement of Statewide Policy Objective:** This rulemaking does not create or expand a State mandate as defined in Section 3(b) of the State Mandates Act [30 ILCS 805/3(b)] and does not necessitate a local government to establish, expand or modify its activities in such a way as to necessitate additional expenditures from local revenues.

23) **Information and questions regarding this emergency amendment shall be directed to:**

PROCLAMATIONS

2004-241 (Revised)
National Alcohol and Drug Addiction Recovery Month

WHEREAS, substance abuse is a treatable disease and treatment of addiction is as successful as the treatment of other chronic diseases such as diabetes, hypertension, and asthma; and

WHEREAS, substance abuse, and its co-existing mental and physical disorders, are major public health problems that affect millions of Americans of every age, race and ethnic background, in all communities; and

WHEREAS, alcohol and drug use disorders have enormous medical, societal and economic costs, with a significant negative impact on families, often resulting in increased conflict, emotional and physical abuse, stress, and financial strife; and

WHEREAS, in 2002, an estimated 22 million Americans met the criteria for substance dependence or abuse. In that same year, only 10.3 percent of Americans 12 and older who needed treatment for an alcohol or drug use disorder actually received treatment; and

WHEREAS, the primary reason that most of those afflicted did not receive treatment is that they incorrectly believed that treatment was not necessary; and

WHEREAS, those who do realize that they need treatment often face various barriers to recovery. These barriers include the cost of treatment, stigma associated with substance abuse problems, inadequate facilities, and simply a lack of information about treatment options; and

WHEREAS, the Department of Human Services/Division of Alcoholism and Substance Abuse celebrates September 2004 as National Alcohol and Drug Recovery Month; and

WHEREAS, the theme of this year’s Recovery Month, “Join the Voices for Recovery…NOW!” aims to celebrate the lives of those who have successfully recovered from substance addictions, proving that proper treatment can lead to normal, healthy, and productive lives:

THEREFORE, I, Rod Blagojevich, Governor of the State of Illinois, do hereby proclaim September 2004 as NATIONAL ALCOHOL AND DRUG ADDICTION RECOVERY MONTH in Illinois, and call on all citizens to celebrate the lives of those who have successfully recovered, while encouraging those struggling with substance abuse to seek treatment.

Issued by the Governor August 31, 2004.
Filed by the Secretary of State September 1, 2004.

2004-246
Environmental Management Service Week

WHEREAS, Environmental Management Service is celebrating 50 years of providing quality services in Veterans Affairs (VA) health care; and

WHEREAS, the vision of Environmental Management Service is to be the environmental conscience of the Department of Veterans Affairs, Veterans Health Administration, continuing to serve the original vision of the VA, “Putting Veterans First;” and

WHEREAS, Environmental Management Service provides many different kinds of services to those in the VA community. The department is there to insure the provision of a safe,
sanitary and healing healthcare environment for those who have served, and for those who in
turn, serve them; and

WHEREAS, Environmental Management Service continues to provide vital assistance to
VA hospitals, and to the healthcare industry as a whole:

THEREFORE, I, Rod Blagojevich, Governor of the State of Illinois, do hereby proclaim
September 12-18, 2004 as ENVIRONMENTAL MANAGEMENT SERVICE WEEK in Illinois,
and encourage citizens to appreciate the value of serving others.

Issued by the Governor August 27, 2004.
Filed by the Secretary of State August 31, 2004.

2004-247
College Savings Month

WHEREAS, parents who begin to prepare for the costs of college education early in their
children’s lives, are able to manage their finances more efficiently when the time comes for their
children to attend college; and

WHEREAS, the cost of higher education continues to rise, outpacing the rate of inflation.
Parents who participate in college savings plans will ensure that their children are able to attend
college and work toward achieving their goals; and

WHEREAS, government officials should encourage citizens to save for the future rather
than borrow against the future. This will ease the financial burden on everyone in the State and
help to reduce the number of young adults with student loan debt; and

WHEREAS, Section 529 plans have become the most popular way to save money for
college. There are two kinds of plans – prepaid tuition plans and college savings plans; and

WHEREAS, the State of Illinois currently administers both types of plans. "College
Illinois! Prepaid Tuition Program" allows parents to lock in current tuition rates at in-State public
colleges, while "Bright Star Savings" lets parents save money as well as accrue interest on their
savings through certificates of deposit or money market ventures:

THEREFORE, I, Rod Blagojevich, Governor of the State of Illinois, do hereby proclaim
September 2004 as COLLEGE SAVINGS MONTH in Illinois, and encourage parents to take an
active interest in their child’s education and begin to save for the future.

Issued by the Governor August 27, 2004.
Filed by the Secretary of State August 31, 2004.

2004-251
National Prostate Cancer Awareness Month

WHEREAS, prostate cancer is the most common cancer and the second leading cause of cancer death among American men. In 2003, there were 220,900 new cases and 28,900 deaths; and

WHEREAS, prostate cancer develops in the prostate gland of a man. Although the cancer usually grows slowly, if it goes undetected, it can quickly spread to other parts of the body; and

WHEREAS, the survival rate for prostate cancer cases that were detected in the early stages is 100 percent after 5 years; and

WHEREAS, researchers are looking into the possibility of creating a vaccine for increasing the body’s immunity to prostate cancer cells. In addition, there are studies being conducted to evaluate the effectiveness of eating certain foods such as tomatoes and soybeans as preventative measures. In general, eating a low-fat diet and enjoying regular physical activity are ways that men can reduce their risk of developing prostate cancer; and

WHEREAS, September has been designated as a month to raise public awareness among all men about the importance of a healthy lifestyle and of preventative health practices that can result in the early detection and treatment of prostate cancer:

THEREFORE, I, Rod Blagojevich, Governor of the State of Illinois, do hereby proclaim September 2004 as NATIONAL PROSTATE CANCER MONTH in Illinois and urge all men to educate themselves about this deadly disease and what they can do to prevent it from negatively affecting their lives.
