The Illinois Department of Transportation announced that beginning Monday, August 9, 2010, there will be daytime lane closures on I-270 from IL 203 (mile marker 4), near Granite City to IL 159 (mile marker 12), near Glen Carbon. Peak hour restrictions will apply. Eastbound lanes will be open to traffic from 3:00 pm to 6:00 p.m., and westbound lanes will be open from 6:00 am to 9:00 am. These lane closures are necessary to clean and seal various bridges within this area. Please watch for stopped traffic and allow extra time when traveling through the work zone. Signing and traffic control devices will be provided to aid motorists through the work zones. The work should be completed by October 2010. The contractor on this project is All States Painting, Inc. of Alexander, IL. Barry J. Gibbs is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3351.
