Press Release  
I-64 in East St. Louis  
Location - I-64 at 15th Street  

The Illinois Department of Transportation today announced that all eastbound and westbound lanes of I-64 are now open from west of IL 111 to the I-55/70/64 split in East St. Louis, effective immediately. The portion of the 15th Street bridge over I-64 has been removed, and the reconstruction process will begin. Motorists are asked to use caution when travelling through this area as lane shifts will be necessary to rebuild the 15th Street bridge. The contractor on this project is Keeley & Sons Construction, Inc. of East St. Louis, Illinois. John Scheibal is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3353.
