Press Release

Update: Interstate Lane Closure

Location – I-57 between the Fayette County Line and Salem, Illinois

COLLINSVILLE, ILLINOIS – The Illinois Department of Transportation announces the lane closure on Interstate 57 in Marion County will continue through 4:00 PM Friday, February 10, 2012, weather permitting. The right lane of southbound I-57 will be closed from mile marker 129 to 134, just north of Kinmundy, Illinois.

The closure is needed to make repairs to the pavement surface and install new pavement markings in these areas. The Department's District 8 Operations forces will perform the needed roadway repairs. Crews from multiple locations will assist in this effort.

Traffic control devices and directional signage, including dynamic message boards, have been deployed to alert motorists of these closures. Travelers are advised to consider alternate routes or allow additional time to travel in Marion County. The Department asks that all motorists be patient, reduce speed, and exercise added caution when traveling near and throughout this work zone.
