Press Release
I-64/55/70 in St. Clair County

Collinsville, Illinois - The Illinois Department of Transportation today announced that intermittent lane closures will be implemented in the eastbound lanes of Interstate 64/55/70 just east of the Poplar Street Bridge near Fourth Street on Thursday morning September 20, 2012. These closures will be necessary to perform modifications to existing overhead signing.

The work will be done by the Illinois Department of Transportation and traffic control devices will be utilized during the lane closures to assist motorists through the work zone. The Department asks that motorists be patient, reduce speed, and use additional caution when traveling near and throughout this work zone.
