Press Release - Updated  
East St. Louis  

Location – Westbound I-64 and Eastbound I-55/70  

The Illinois Department of Transportation today announced that both westbound I-64 near 15th Street and eastbound I-55/70 near Exchange Avenue in East St. Louis will be reduced to one lane beginning on Friday, July 13, 2012, at 7:00 pm, weather permitting. The lane closures are necessary to install storm sewer pipe across the roadway. Please use alternate routes or allow additional time for expected delays. This work is expected to be completed by Sunday, July 15, 2012. The contractor on this project is Keeley & Sons, Inc. of East St. Louis, Illinois. John Scheibal is the Supervising Field Engineer for the Illinois Department of Transportation in this area. If you have any questions concerning this project, you may contact him at 618/346-3353.
