PRESS RELEASE

I-270 in Madison County

Location – Near IL Rte 3

The Illinois Department of Transportation announced that beginning Monday, October 8, 2012, lane restrictions will be encountered along I-270 at the Chain of Rocks Canal Bridge and are estimated to be completed Friday, October 26, 2012, weather permitting. The lane restrictions will be first installed EASTBOUND and will be in place for 2 weeks. The lane restrictions will then be moved to the WESTBOUND lanes and will be in place for one week.

These lane restrictions are necessary to make repairs to the existing bridges. Please use extreme caution while traveling through the work zone.

The contractor on this project is Walsh Construction Company of Chicago, IL. Barry Gibbs is the Supervising Field Engineer for the Illinois Department of Transportation in the area. If you have any questions concerning this project, you may contact him at 618/346-3351.
