Adult Drug Court Discretionary Grant Program (CFDA No. 16.585)

**Purpose:** To develop and implement drug courts that effectively integrate evidenced-based substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over substance-abusing offenders.

**Eligibility:** State governments, county governments, city or township governments, and special district governments.

**Funding:** $45 million.

**Deadline:** 4/19/2016.

**Contact:** Tel. (800) 518-4726; E-mail: support@grants.gov.

**Awards for Faculty (CFDA No. 45.160)**

**Purpose:** To support individual faculty or staff members at Hispanic-serving institutions, historically black colleges and universities, and tribal colleges and universities who pursue research of value to humanities scholars, students, or general audiences.

**Eligibility:** Individuals who teach at, serve on the staff of, or have retired from officially designated Hispanic-serving institutions, historically black colleges and universities, or tribal colleges and universities.

**Funding:** Not specified; awards of up to $50,400.

**Deadline:** 4/14/2016.

**Contact:** Tel. (202) 606-8200; E-mail: facultyawards@neh.gov.

Community Corrections: Technology Research, Development, and Evaluation to Improve Supervision and Outcomes (CFDA No. 16.560)

**Purpose:** To explore the ability of mobile device technologies to help enable adult correctional systems more effectively supervise increased numbers of persons under community supervision.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $2 million.

**Deadline:** 5/19/2016.

**Contact:** E-mail: grants@ncjrs.gov.

Early Career Awards: Integrating Human Health and Well-Being With Ecosystem Services (CFDA No. 66.509)

**Purpose:** To provide collaborative, community-based research that will foster better understanding of how ecosystems support human health and well-being; to examine how communities can integrate ecosystem services with human health and well-being to inform their decision-making and management practices; and to develop information that allows communities to integrate environmental, societal, and economic information and to better manage multiple stresses and their cumulative impacts on humans and ecosystems.

**Eligibility:** Public and state-controlled institutions of higher education; nonprofits, other than institutions of higher education; private institutions of higher education; and for-profit organizations, other than small businesses.

**Funding:** $3 million.

**Deadline:** 4/21/2016.

**Contact:** Tel. (703) 347-8081; E-mail: jones.debram@epa.gov.

Educational Opportunity Centers (EOC) Program (CFDA No. 84.066A)

**Purpose:** To provide information regarding financial and academic assistance available for qualified adults who want to enter or continue to pursue a program of postsecondary education; provide assistance to those individuals in applying for admission to institutions at which a program of postsecondary education is offered, including preparing necessary applications for use by admissions and financial aid officers; and assist in improving the financial and economic literacy of program participants.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $54.2 million.

**Deadline:** 4/4/2016.

**Contact:** Julius Cotton, Tel. (202) 245-6140; E-mail: julius.cotton@ed.gov.

Elder Abuse Prevention Demonstration Project: Planning Phase (CFDA No. 16.560)

**Purpose:** To conduct a rigorous, multi-year demonstration project to prevent abuse, neglect, and/or financial exploitation among community-residing elderly individuals identified to be at risk, including development and implementation of the intervention, and, pending funding, a rigorous scientific evaluation of its effectiveness.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $800,000.

**Deadline:** 5/2/2016.

**Contact:** E-mail: grants@ncjrs.gov.
Faith- and Community-Based Youth Violence Prevention Training and Technical Assistance (CFDA No. 16.123)
Purpose: To broker, coordinate, and provide relevant training and technical assistance to organizations representing all faith traditions and to community-based institutions that are engaged with or seeking to engage with the three youth violence prevention initiatives: Defending Childhood, National Forum on Youth Violence Prevention, and Community-Based Violence Prevention Program.
Eligibility: Public and state-controlled institutions of higher education; nonprofits, other than institutions of higher education; private institutions of higher education; and for-profit organizations, other than small businesses.
Funding: $1.4 million.
Contact: E-mail: grants@ncjrs.gov.

FY ‘16 Farm Business Management and Benchmarking (FBMB) Competitive Grants Program RFA (CFDA No. 10.319)
Purpose: To improve the farm management knowledge and skills of agricultural producers; and establish and maintain a national, publicly available farm financial management database to support improved farm management.
Eligibility: Agricultural experiment stations; colleges and universities; university research foundations; research institutions and organizations; private organizations or corporations; and individuals.
Funding: $1.3 million.
Contact: Tel. (202) 401-5048; E-mail: electronic@nifa.usda.gov.

FY 2016 Joint Technology Transfer Initiative (CFDA No. 11.459)
Purpose: To conduct research and development activities related to advancing the storm-scale modeling and Integrated Water Prediction over the coming 1 to 2 years.
Eligibility: Institutions of higher education; other nonprofit organizations; and commercial organizations.
Funding: $1.8 million.
Contact: Tel. (301) 734-1034; E-mail: Chandra.kondragunta@noaa.gov.

Grants for Adaptive Sports Programs for Disabled Veterans and Disabled Members of the Armed Forces (CFDA No. 64.034)
Purpose: To plan, develop, manage, and implement adaptive sports activities for disabled veterans and disabled members of the Armed Forces.
Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.
Funding: $8 million.
Contact: Tel. (202) 632-7136; E-mail: Michael.welch5@va.gov.

Grants to Expand Substance Abuse Treatment Capacity in Adult Treatment Drug Courts and Adult Tribal Healing to Wellness Courts (Short Title: SAMHSA Treatment Drug Courts) (CFDA No. 93.243)
Purpose: To expand and/or enhance substance use disorder treatment services in existing adult problem-solving courts, and adult Tribal Healing to Wellness courts, which use the treatment drug court model in order to provide alcohol and drug treatment (including recovery support services, screening, assessment, case management, and program coordination) to defendants/offenders.
Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.
Funding: $16.2 million.
Contact: Tel. (240) 276-1412; E-mail: foacsat@samhsa.hhs.gov.

Humanities Access Grants (CFDA No. 45.130)
Purpose: To help support capacity building for humanities programs that benefit one or more of the following groups: youth, communities of color, and economically disadvantaged populations; to establish or augment term endowments; and to provide funding for existing programs at institutions such as public libraries, local and regional museums, historical societies, community colleges, HBCUs and tribal colleges, Hispanic-serving institutions, archival repositories, and other cultural organizations.
Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.
Funding: Not specified; awards of up to $200,000.
Contact: Tel. (202) 606-8309; E-mail: Challenge@neh.gov.

Institutes for Advanced Topics in the Digital Humanities (CFDA No. 45.169)
Purpose: To support training programs for scholars and advanced graduate students to broaden and extend their knowledge of digital humanities and to increase the number of humanities scholars using digital technology in their research and to broadly disseminate knowledge about advanced technology tools and methodologies relevant to the humanities.
Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.
Funding: Not specified; awards of up to $250,000.
Contact: E-mail: odh@neh.gov.
National Health Education Lupus Program (NHELP) (CFDA No. 93.137)

**Purpose:** To reduce lupus-related health disparities among racial and ethnic minority and/or disadvantaged populations disproportionately affected by this disease by conducting a national health education program on lupus and initiating an education action plan on clinical trials targeted at minority and/or disadvantaged populations, especially those most disproportionately affected by lupus.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $2 million.

**Deadline:** 4/18/2016.

**Contact:** Tel. (240) 453-8444; E-mail: victor.olano@hhs.gov.

NIJ FY16 Visiting Fellows Program (CFDA No. 16.560)

**Purpose:** To bring leading researchers and others into residency at National Institute of Justice (NIJ) to make important scholarly contributions in their chosen fields of criminology or criminal justice research, and to work with the NIJ Director and staff to help shape the direction of NIJ’s research programs.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, private institutions of higher education, and individuals.

**Funding:** $1 million.

**Deadline:** 5/11/2016.

**Contact:** E-mail: grants@ncjrs.gov.

NSF Scholarships in Science, Technology, Engineering, and Mathematics Program (CFDA No. 47.076)

**Purpose:** To increase the number of low-income academically talented students with demonstrated financial need obtaining degrees in STEM and entering the workforce or graduate programs in STEM; to improve the education of future scientists, engineers, and technicians, with a focus on academically talented low-income students; and to generate knowledge to advance understanding of how factors or evidence-based curricular and co-curricular activities affect the success, retention, transfer, academic/career pathways, and graduation in STEM of low-income students.

**Eligibility:** Institutions of higher education.

**Funding:** $95 million.

**Deadline:** 5/16/2016.

**Contact:** E-mail: grantsgovsupport@nsf.gov.

Office of Postsecondary Education (OPE): Predominantly Black Institutions (PBI) Formula Grant Program (CFDA No. 84.031P)

**Purpose:** Provides grants to eligible institutions to plan, develop, undertake, and implement programs that enhance their capacity to serve more low- and middle-income black American students; to expand higher education opportunities for eligible students by encouraging college preparation and student persistence in secondary school and postsecondary education; and to strengthen the financial ability of the institutions to serve the academic needs of these students.

**Eligibility:** Predominantly black institutions that have an enrollment of needy undergraduate students; have an average educational and general expenditure that is low, per full-time equivalent undergraduate student, in comparison with the average educational and general expenditure per full-time equivalent undergraduate student of institutions that offer similar instruction; have an enrollment of undergraduate students that is not less than 40 percent black American students; be legally authorized to provide, and provide, within the state, an educational program for which the institution of higher education awards a baccalaureate degree or, in the case of a junior or community college, an associate’s degree; and be accredited by a nationally recognized accrediting agency or association.

**Funding:** $9.9 million.

**Deadline:** 4/1/2016.

**Contact:** Julius Cotton, Tel. (202) 245-6140; E-mail: julius.cotton@ed.gov.

Research and Evaluation on Drugs and Crime (CFDA No. 16.560)

**Purpose:** To conduct research on criminal justice tools, protocols, and policies concerning drug trafficking, markets, and use, and the effects of drug legalization and decriminalization on law enforcement applicable to state, tribal, and local jurisdictions.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, private institutions of higher education, and individuals.

**Funding:** $3 million.

**Deadline:** 4/20/2016.

**Contact:** E-mail: grants@ncjrs.gov.

Smart Policing Initiative (CFDA No. 16.738)

**Purpose:** To build upon analysis-driven, evidence-based policing by encouraging state, local, and tribal law enforcement agencies to develop effective, economical, and innovative responses to crime within their jurisdictions.

**Eligibility:** State governments, county governments, city or township governments, and special district governments.

**Funding:** $5 million.

**Deadline:** 4/12/2016.

**Contact:** Tel. (800) 518-4726; E-mail: support@grants.gov.

Smart Supervision: Reducing Prison Populations, Saving Money, and Creating Safer Communities (CFDA No. 16.812)

**Purpose:** To improve supervision success rates and reduce crime, which would in turn reduce admissions to prisons and jails and save taxpayer dollars; to implement evidence-based supervision strategies; and to develop innovative strategies to improve outcomes for probationers.

**Eligibility:** State governments, county governments, and city or township governments.

**Funding:** $5.2 million.

**Deadline:** 4/11/2016.

**Contact:** Tel. (800) 518-4726; E-mail: support@grants.gov.
STEM Expert Facilitation of Family Learning in Libraries and Museums; A National Leadership Grants Special Initiative (CFDA No. 45.312)

**Purpose:** To create a foundation for reaching children and families from diverse economic, social, and cultural backgrounds, with different levels of knowledge about STEM; and to create design-based research projects that develop and explore models for inquiry-based STEM programs delivered by scientists, engineers, and related technical practitioners (STEM experts) to children ages 6-10 and their families.

**Eligibility:** Museums and libraries, including an academic institution that is responsible for the administration of a library, public libraries, public elementary and secondary school libraries, college and university libraries, and research libraries and archives that are not an integral part of an institution of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $2.5 million.

**Deadline:** 5/1/2016.

**Contact:** Tel. (202) 653-4779; E-mail: stor0@imls.gov.

Training Program for Federal TRIO Programs (CFDA No. 84.103A)

**Purpose:** Provides grants to train the staff and leadership personnel employed in, participating in, or preparing for employment in projects funded under the federal TRIO programs (federal outreach and student services programs designed to identify and provide services for individuals from disadvantaged backgrounds) to improve the operation of these projects.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $2.5 million.

**Deadline:** 4/15/2016.

**Contact:** Julius Cotton, Tel. (202) 245-6140; E-mail: julius.cotton@ed.gov.

Violent Gang and Gun Crime Reduction Program (PSN) (CFDA No. 16.609)

**Purpose:** To create safer neighborhoods through a sustained reduction in crime associated with gang and gun violence, and violent offenders.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $600,000.

**Deadline:** 4/2/2016.

**Contact:** Tel. (800) 518-4726; E-mail: grants@ncjrs.gov.

Youth With Sexual Behavior Problems Program (CFDA No. 16.543)

**Purpose:** To provide intervention and supervision services for youth with sexual behavior problems and treatment services for their child victims and families.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $600,000.

**Deadline:** 4/2/2016.

**Contact:** Tel. (800) 518-4726; E-mail: grants@ncjrs.gov.
