Advanced Rehabilitation Research Training (ARRT) Program – Employment (CFDA No. 93.433)

Purpose: To provide advanced research training and experience to individuals with doctorates, or similar advanced degrees, who have clinical or other relevant experience and to train rehabilitation researchers, including researchers with disabilities.

Eligibility: Private institutions of higher education and public and state-controlled institutions of higher education.

Funding: $150,000.

Contact: E-mail: patricia.barrett@acl.hhs.gov.

Community Approaches to Reducing Sexually Transmitted Diseases (CARS) (CFDA No. 93.978)

Purpose: To promote sexual health, advance community wellness, influence sexual health behavior and practices, and reduce STI disparities.

Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

Funding: $3.7 million.

Contact: Tel. (404) 639-8991; E-mail: nnh9@cdc.gov.

Computer Science for All (CFDA No. 47.070)

Purpose: To provide all U.S. students the opportunity to participate in computer science (CS) and computational thinking (CT) education in their schools at the K-12 levels and to provide high school teachers with the preparation, professional development (PD), and ongoing support that they need to teach rigorous computer science courses, and K-8 teachers with the instructional materials and preparation they need to integrate CS/CT into their teaching.

Eligibility: Unrestricted.

Funding: $20 million.

Deadline: 2/16/2017.

Contact: E-mail: grantgovsupport@nsf.gov.

Creating Humanities Communities (CFDA No. 45.130)

Purpose: To help stimulate and proliferate meaningful humanities activities in states and U.S. territories underserved by NEH’s grant-making divisions and offices, to establish and undertake new humanities programs, and to make connections between organizations that will foster community cohesion on a local or regional level.

Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

Funding: Not specified; awards of up to $150,000.

Contact: Tel. (202) 606-8309; E-mail: challenge@neh.gov.

Cyberlearning and Future Learning Technologies (CFDA Nos. 47.041, 47.070, 47.076)

Purpose: To integrate opportunities offered by emerging technologies with advances in what is known about how people learn.

Eligibility: Unrestricted.

Funding: $6 million.

Deadline: 2/10/2017.

Contact: E-mail: grantgovsupport@nsf.gov.

Development and Evaluation of Sports Concussion Prevention Strategies (CFDA No. 93.136)

Purpose: To either develop and pilot test a new intervention or rigorously evaluate an existing intervention that targets young athletes participating in sports programs; interventions should be social and behavioral in nature and can represent either primary prevention or secondary prevention of sports-related concussion.

Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

Funding: $3.3 million.

Deadline: 2/16/2017.

Contact: E-mail: sfn8@cdc.gov.

Disability and Rehabilitation Research Projects (DRRP) Program: Community Living and Participation (Development) (CFDA No. 93.433)

Purpose: To plan and conduct research, demonstration projects, training, and related activities, including international activities, to develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities.

Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

Funding: $500,000.
Education and Prevention Grants to Reduce Sexual Abuse of Runaway, Homeless, and Street Youth (CFDA No. 93.557)

**Purpose:** To provide street-based services to runaway, homeless, and street youth who have been subjected to or are at risk of being subjected to sexual abuse, prostitution, sexual exploitation, and severe forms of trafficking in persons and to assist such youth in making healthy choices and providing them access to shelter.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $2.7 million.

**Deadline:** 1/31/2017.

**Contact:** Tel. (202) 795-7442; E-mail: marlene.spencer@acl.hhs.gov.

Exploring American Values (CFDA No. 19.012)

**Purpose:** To develop and implement a 12-day group exchange program to the United States for up to 10 program participants representing social media journalists and bloggers from England, Northern Ireland, Scotland, and Wales.

**Eligibility:** Institutions of higher education and private, non-profit organizations.

**Funding:** $75,000.

**Deadline:** 12/15/2016.

**Contact:** E-mail: londongrants@state.gov.

Field-Initiated Projects Program: Minority-Serving Institution (MSI) – Research (CFDA No. 93.433)

**Purpose:** To develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities.

**Eligibility:** Minority-serving institutions of higher education.

**Funding:** $200,000.

**Deadline:** 1/31/2017.

**Contact:** Tel. (202) 795-7442; E-mail: marlene.spencer@acl.hhs.gov.

Fixing America’s Surface Transportation (FAST) Grant (CFDA No. 20.934)

**Purpose:** To provide federal financial assistance to projects of national or regional significance.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $850 million.

**Deadline:** 12/15/2016.

**Contact:** Tel. (202) 366-8914; E-mail: robert.mariner@dot.gov.

Healthy Homes and Lead Technical Studies Grant Program Pre- and Full Application (CFDA Nos. 14.902, 14.906)

**Purpose:** To fund technical studies to improve existing methods for detecting and controlling key housing-related health and safety hazards, including lead-based paint hazards; to develop new methods to detect and control these hazards; and to improve our knowledge of these key housing-related health and safety hazards.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $3.8 million.

**Deadline:** 2/22/2017.

**Contact:** Tel. (202) 402-7595; E-mail: peter.j.ashley@hud.gov.

Inclusion Across the Nation of Communities of Learners of Underrepresented Discoverers in Engineering and Science (CFDA Nos. 47.041, 47.049, 47.050, 47.070, 47.074, 47.075, 47.076, 47.083)

**Purpose:** To enhance U.S. leadership in science, technology, engineering, and mathematics (STEM) discoveries and innovations focused on NSF’s commitment to diversity, inclusion, and
broadening participation in these fields.

Eligibility: Unrestricted.
Funding: $7.5 million.
Contact: grantsgovsupport@nsf.gov.

Lead-Based Paint Hazard Control (LBPHC) Grant Program (CFDA No. 14.900)
Purpose: To implement comprehensive programs to identify and remediate lead-based paint hazards in privately owned rental or owner-occupied housing.
Eligibility: State governments, county governments, city or township governments, and special district governments.
Funding: $48 million.
Contact: Tel. (202) 402-6885; E-mail: shannon.e.steinbauer@hud.gov.

Maternal and Child Health (MCH) Adolescent and Young Adult Health Research Network (CFDA No. 93.110)
Purpose: To support the creation and/or maintenance of a trans-disciplinary, multisite research network that will accelerate the translation of developmental science into MCH practice, promote scientific collaboration, and develop additional research capacity in the fields of adolescent and young adult (ages 10-25) health.
Eligibility: Public and state-controlled institutions of higher education; nonprofits, other than institutions of higher education; private institutions of higher education; and faith-based and community organizations.
Funding: $320,000.
Contact: Tel. (301) 443-3888; E-mail: rharwood@hrsa.gov.

Media Projects Grants (CFDA No. 45.164)
Purpose: To support film, television, and radio projects that engage public audiences with humanities ideas in creative and appealing ways in disciplines such as history, art history, film studies, literature, drama, religious studies, philosophy, or anthropology and demonstrate an approach that is thoughtful, balanced, and analytical (rather than celebratory).
Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.
Funding: Not specified; awards of up to $1 million.
Contact: Tel. (202) 606-8269; E-mail: publicpgms@neh.gov.

Motor Carrier Safety Assistance High-Priority (HP) Activities Grants and Cooperative Agreements (CFDA No. 20.237)
Purpose: To provide financial assistance to advance the technological capability and promote HP Innovative Technology Deployment (HP-ITD) to include the deployment of intelligent transportation system applications for commercial motor vehicle (CMV) operations, including CMVs, commercial drivers, and carrier-specific information systems/networks.
Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.
Funding: $41.5 million.
Contact: Tel. (800) 518-4726; E-mail: support@grants.gov.

National Cancer Institute Youth Enjoy Science Research Education Program (CFDA No. 93.398)
Purpose: To support educational activities that enhance the diversity of the biomedical, behavioral, and clinical research workforce.
Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.
Funding: Not specified; awards of up to $500,000.
Contact: E-mail: fbowebmaster@od.nih.gov.

National Robotics Initiative 2.0: Ubiquitous Collaborative Robots (CFDA Nos. 10.310, 12.800, 47.041, 47.070, 47.075, 47.076, 81.049, 81.104)
Purpose: To support fundamental research that will accelerate the development and use of robots in the United States that work beside or cooperatively with people.
Eligibility: Nonprofit, non-academic organizations: independent museums, observatories, research labs, professional societies, and similar organizations in the U.S. associated with educational or research activities; and universities and colleges (including community colleges).
Funding: $45 million.
Deadline: 2/2/2017.
Contact: E-mail: grantsgovsupport@nsf.gov.

NIA Research Centers Coordinating Network (CFDA No. 93.866)
Purpose: To foster the development of novel interdisciplinary efforts in aging research and to provide resources to build additional infrastructure and establish specific collaborative activities that could include, but are not limited to, information and data exchange, meetings and conferences, pilot studies, research opportunities for beginning investigators, visiting scholar programs, dissemination, and other collaborative efforts.
Eligibility: State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.
Funding: $1 million.
Contact: E-mail: fbowebmaster@od.nih.gov.

Postbaccalaureate Research Education Program (PREP) Biomedical Research and Research Training (CFDA No. 93.859)
Purpose: To support educational activities that enhance the diversity of the biomedical, behavioral, and clinical research
workforce.

Eligibility: Institutions of higher education and private, non-profit organizations.
Funding: Not specified; awards of up to $400,000.
Contact: E-mail: fbowebmaster@od.nih.gov.

Promotion of the Humanities Fellowships and Stipends (CFDA No. 45.160)

Purpose: To support well-researched books in the humanities intended to reach a broad readership and to encourage scholarship that will be of broad interest and have lasting impact that might present a narrative history, tell the stories of important individuals, analyze significant texts, provide a synthesis of ideas, revive interest in a neglected subject, or examine the latest thinking on a topic.
Eligibility: Individuals.
Funding: Not specified; awards of up to $50,400.
Contact: Tel. (202) 606-8200; E-mail: publicscholar@neh.gov.

Public Humanities Projects (CFDA No. 45.164)

Purpose: To support projects that bring the ideas and insights of the humanities to life for general audiences; must engage humanities scholarship to analyze significant themes in disciplines such as history, literature, ethics, and art, or to address challenging issues in contemporary life and encourage projects that involve members of the public in collaboration with humanities scholars or that invite contributions from the community in the development and delivery of humanities programming.
Eligibility: State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.
Funding: Not specified; awards of up to $1 million.
Contact: Tel. (202) 606-8269; E-mail: publicpgms@neh.gov.

Research Education: Initiative for Maximizing Student Development (IMSD) Program (CFDA No. 93.859)

Purpose: To support educational activities that enhance the diversity of the biomedical workforce and to support creative educational activities with a primary focus on research experiences and courses for skills development.
Eligibility: Institutions of higher education and private, non-profit organizations.
Funding: $5 million.
Contact: E-mail: fbowebmaster@od.nih.gov.

Runaway and Homeless Youth Training and Technical Assistance Center (CFDA No. 93.623)

Purpose: To enhance and promote the continuous evidence-based quality improvement of services with a focus on the social and emotional well-being of children, youth, and families served by Family and Youth Services Bureau (FYSB)-funded runaway and homeless youth grantees.
Eligibility: Public and state-controlled institutions of higher education; nonprofits, other than institutions of higher education; private institutions of higher education; for-profit organizations, other than small businesses; and faith-based and community organizations.
Funding: $2.1 million.
Contact: Tel. (202) 205-9546; E-mail: gloria.watkins@acf.hhs.gov.

Scientific Discovery Through Advanced Computing: Integrated Simulation Partnerships in Fusion Energy Sciences (CFDA No. 81.049)

Purpose: To take advantage of today’s multi-scale DOE high-performance computing (DOE HPC) systems to accelerate scientific discovery in strategically important areas of magnetic fusion energy science and address high-priority issues identified in recent community studies.
Eligibility: Unrestricted.
Funding: Not specified; awards of up to $3 million.
Contact: Tel. (301) 903-0552; E-mail: john.mandrekas@science.doe.gov.

Switzer Research Fellowships Program (CFDA No. 93.433)

Purpose: To develop methods, procedures, and rehabilitation technology that maximize the full inclusion and integration into society, employment, independent living, family support, and economic and social self-sufficiency of individuals with disabilities, especially individuals with the most severe disabilities.
Eligibility: Individuals: Merit Fellowship, an individual must be in the earlier stages of his or her career in research and have either advanced professional training or experience in independent study in an area that is directly pertinent to disability and rehabilitation; and Distinguished Fellowship, an individual must have seven or more years of research experience in subject areas, methods, or techniques relevant to research on rehabilitation, independent living, and other experiences and outcomes of individuals with disabilities, and must have a doctorate, other terminal degree, or comparable academic qualifications.
Funding: $435,000.
Deadline: 1/30/2017.
Contact: Tel. (202) 795-7303; E-mail: patricia.barrett@acl.hhs.gov.

WWI Centenary Exchange: U.S. Veterans Affairs (CFDA No. 19.012)

Purpose: To develop and implement an exchange program to the U.S. for up to 10 British program participants and to provide UK veterans, armed forces charities, and policy-makers with an opportunity to examine the role of U.S. federal, state, and local governments, as well as nonprofit organizations, in assisting veterans and their families.
Eligibility: Nonprofits.
Funding: $75,000.
Contact: E-mail: londongrants@state.gov.
