Adult Drug Court Discretionary Grant Program (CFDA No. 16.585)

**Purpose:** To provide financial and technical assistance, and to develop and implement drug courts that effectively integrate evidence-based substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over substance-abusing offenders.

**Eligibility:** State governments, county governments, city or township governments, and special district governments.

**Funding:** $45 million.

**Deadline:** 2/28/2017.

**Contact:** support@grants.gov.

Cyberinfrastructure for Emerging Science and Engineering Research (CFDA No. 47.070)

**Purpose:** To support early-stage efforts by collaborative teams of domain scientists and cyberinfrastructure developers/implementers to identify and address cyberinfrastructure needs in new research areas through the development and deployment of pilot, experimental, and innovative hardware or software systems or other unique cyberinfrastructure activities that enable new pathways to discovery.

**Eligibility:** Unrestricted.

**Funding:** Not specified.

**Deadline:** Proposals accepted anytime.

**Contact:** E-mail: grantsgovsupport@nsf.gov.

Economic Development Assistance (EDA) Programs, FY 2017 (CFDA Nos. 11.300, 11.307)

**Purpose:** To provide investments that support construction, non-construction, and technical assistance, and to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities.

**Eligibility:** State governments; county governments; city or township governments; special district governments; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $40 million.

**Deadline:** 3/6/2017.

**Contact:** E-mail: grantsgovsupport@nsf.gov.

Maximizing Access to Research Careers Undergraduate—Student Training in Academic Research (CFDA No. 93.859)

**Purpose:** To enhance the pool of underrepresented students earning baccalaureate and Ph.D. degrees in biomedical research fields and ultimately to contribute to the diversification of the nation’s scientific workforce.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** Not specified.

**Deadline:** 5/24/2018.
Mentoring Research Partners Solicitation (CFDA No. 16.726)
**Purpose:** To support researchers who seek to partner with OJJDP-funded mentoring organizations to conduct program-specific data collection and evaluation and improve mentoring organizations’ ability to collect and analyze program-specific data and measures about the delivery and impact of their mentoring services.

**Eligibility:** State governments; county governments; city or township governments; special district governments; independent school districts; public and state-controlled institutions of higher education; public housing authorities/Indian housing authorities; Native American tribal organizations; nonprofits; private institutions of higher education; for-profit organizations, other than small businesses; and small businesses.

**Funding:** $450,000.

**Deadline:** 2/22/2017.

**Contact:** E-mail: grants@ncjrs.gov.

NEA FY2018 Literature Fellowships: Prose (CFDA No. 45.024)
**Purpose:** To offer grants in prose (fiction and creative non-fiction) and poetry to published creative writers that enable recipients to set aside time for writing, research, travel, and general career advancement. Applications are reviewed through an anonymous process in which the only criteria for review are artistic excellence and artistic merit.

**Eligibility:** Individual.

**Funding:** Not specified; awards of up to $25,000.

**Deadline:** 3/8/2017.

**Contact:** E-mail: webmgr@arts.gov.

NSF Scholarships in Science, Technology, Engineering, and Mathematics Program (CFDA No. 47.076)
**Purpose:** To fund scholarships and to advance the adaptation, implementation, and study of effective evidence-based curricular and co-curricular activities that support recruitment, retention, transfer (if appropriate), student success, academic/career pathways, and graduation in STEM.

**Eligibility:** Institutions of higher education.

**Funding:** $95 million.

**Deadline:** 3/29/2017.

**Contact:** E-mail: grantsgovsupport@nsf.gov.

Regional Energy Technology Innovation Ecosystems Characterization Assessments (CFDA No. 81.250)
**Purpose:** To provide new insights as to how an integrated regional strategy could promote affordable, reliable innovative energy technology; create jobs; increase entrepreneurial activity and new venture financing; and promote economic growth and prosperity; and to provide data-driven insights and analysis, relying, in part, on inputs from current and potential energy innovation ecosystem participants within the proposed region.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $800,000.

**Deadline:** 2/28/2017.

**Contact:** E-mail: jacquelyn.wilson@netl.doe.gov.

Safeguarding Children of Arrested Parents (CFDA No. 16.738)
**Purpose:** To support outreach efforts, training, and technical assistance and to specifically address practices that could mitigate the potential of creating trauma associated with a parent’s arrest and/or other investigation actions carried out by law enforcement.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** $300,000.

**Deadline:** 2/16/2017.

**Contact:** E-mail: support@grants.gov.

Software Infrastructure for Sustained Innovation (CFDA Nos. 47.041, 47.049, 47.050, 47.070, 47.075, 47.076, 47.079, 47.083)
**Purpose:** To initiate a highly reusable and interoperable cyber-infrastructure architecture that integrates large-scale computing, high-speed networks, massive data archives, instruments and major facilities, observatories, experiments, and embedded sensors and actuators, across the nation and the world, to help make great strides towards revolutionizing virtually every science and engineering discipline.

**Eligibility:** Nonprofit, non-academic organizations: independent museums, observatories, research labs, professional societies, and similar organizations in the U.S. associated with educational or research activities; and universities and colleges, including two-year institutions.

**Funding:** $17.5 million.

**Deadline:** 3/7/2017.

**Contact:** E-mail: grantsgovsupport@nsf.gov.

Summer Seminars and Institutes (CFDA No. 45.163)
**Purpose:** To support professional development programs in the humanities for school teachers and for college and university faculty that provide models of excellent teaching.

**Eligibility:** State governments, county governments, city or township governments, special district governments, public and state-controlled institutions of higher education, Native American tribal organizations, nonprofits, and private institutions of higher education.

**Funding:** Not specified; awards of up to $225,000.

**Deadline:** 3/1/2017.

**Contact:** Tel. (202) 606-8471; E-mail: sem-inst@neh.gov.
