IDOT, Industry Partners to Share Work Zone Safety Information at Illinois Rest Areas

QUAD CITIES – As part of National Work Zone Safety Awareness Week, the Illinois Department of Transportation and industry partners representing general contractor and labor organizations are providing work zone safety information to travelers at more than two dozen Illinois rest areas Friday, April 13. IDOT staff will be available at select locations to provide interviews.

WHO: Andy Waeyaert, IDOT District 2 Safety and Claims Manager

WHAT: Work zone safety information will be shared with travelers at Illinois rest areas.

WHEN: Friday, April 13
11 a.m. to 1 p.m.

WHERE: Mississippi Rapids Rest Area
Interstate 80 eastbound (Milepost 1)
Rock Island County, IL
