Forrest Plumbing, Heating and Cooling, Inc.  
Petition for Cancellation of Energy Efficiency Installer Authority.  

ORDER

By the Commission:

On July 15, 2019, Forrest Plumbing, Heating and Cooling, Inc. (“Petitioner”) filed a verified Petition with the Illinois Commerce Commission (“Commission”) seeking to cancel its Certificate of Service Authority to install energy efficiency measures pursuant to Section 16-128B of the Public Utilities Act (“Act”), 220 ILCS 5/1-101 et seq.

Petitioner states it was granted a Certificate of Service Authority in Docket No. 17-0736. Petitioner states that it has been sold, and Petitioner does not intend to operate under its Certificate of Service Authority. Petitioner further states that Forrest Plumbing, Heating, and Cooling 2, Inc. was created, and an application for authority to install energy efficiency measures has been filed under the new name. According to Petitioner, no customers are affected by this cancellation.

Commission Staff did not participate, nor were any petitions to intervene filed. The Commission notes that Forrest Plumbing, Heating, and Cooling 2, Inc. was granted a Certificate of Service Authority in Docket No. 19-0689. Since all facts necessary for the Commission to grant the requested relief are contained in the Petition, no hearing is necessary.

The Commission, having considered the entire record herein and being fully advised in the premises, is of the opinion and finds that:

(1) Petitioner, Forrest Plumbing, Heating and Cooling, Inc., was granted a Certificate of Service Authority to install energy efficiency measures pursuant to the requirements of the Act and 83 Ill. Adm. Code 462;

(2) the Commission has jurisdiction over Petitioner and the subject matter of this Petition;

(3) the recitals of fact set forth in the prefatory portion of this Order are supported by the record and are hereby adopted as findings of fact;

(4) insofar as the service Petitioner offered in Illinois is offered by other energy efficiency installers, cancellation of Petitioner's Certificate of Service Authority is in the public interest.
Authority will not deprive Illinois residents of any necessary service and is not otherwise contrary to the public interest; and

(5) the Petition should be granted.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that the Petition of Forrest Plumbing, Heating and Cooling, Inc. to cancel the Certificate of Service Authority previously issued in Docket No. 17-0736 is granted.

IT IS FURTHER ORDERED that pursuant to Section 10-113(a) of the Public Utilities Act and 83 Ill. Adm. Code 200.880, any application for rehearing shall be filed within 30 days after service of the Order on the party.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By Order of the Commission this 14th day of November, 2019.
