4. Executive Director’s Report

Mr. Glorioso turned the meeting over to David Suarez for an update on current IT activities. Mr. Suarez reported they will be conducting interviews again for the new IT position. They were interested in a candidate, but that person accepted another position.

Mr. Bilotta asked Mr. Suarez for an update on the online filing project. Mr. Suarez stated he prepared an update in the meeting packets “Property Tax Appeal Board Online Filing Project Update” which was previously distributed to the Board Members. Mr. Suarez stated many of the processes previously performed by clerical staff have been automated resulting in speeding up the appeals process and eliminating numerous bins of paperwork and files. Mr. Bilotta asked what additional resources are needed to complete the project and is it necessary to hire a consultant to assist with the project. Mr. Suarez stated there have been ongoing competing priorities and it will be helpful once another person is hired to alleviate some of the daily tasks and help with the ongoing projects. Mr. Bilotta requested Mr Suarez prepare a written plan for the December meeting on when we can expect the on-line filing project to be completed.

Mr. Suarez reported he and David Egan have been writing a program for the new tablets that will be used at the Pre-Hearing Conferences. He further reported five new copiers were installed and networked in both the Springfield and Des Plaines Offices.

Mr. Glorioso and the Board thanked Mr. Suarez for his report.

Mr. Glorioso turned the meeting over to Mr. JJ Moffat. Mr. Moffat reported he prepared three draft scenarios of the proposed budget for FY2012. Mr. Moffat stated the first two were requested by GOMB staff and the third one was drafted on behalf of PTAB. The first was a maintenance budget with no expansion of programs or new initiatives. The second scenario budget reflects a 6.5 % reduction from an estimated maintenance level of
FY21 funding. The third budget reflects an increase of in funding by approximately 20% reflecting the addition of 8 new staff members to reduce the backlog of appeals.

Mr. Moffat reported on staffing. Mr. Moffat stated Kelly Frederick left her position in September. He stated Beth Leet is doing a good job learning to process the vouchers, interest payments and invoices. He further reported on posting positions for the IT position, one Appraisal Specialist-1 position, and one Appraisal Specialist Trainee position and will be scheduling and conducting interviews.

Mr. Glorioso and the Board thanked Mr. Moffat for his report.

Mr. Glorioso reported on staffing. He reported Mick Cody will resume the remaining term of his 75-day temporary assignment in December at the Springfield Office as a hearing officer. He further reported Shawn Murphy, a long-term former PTAB employee and the person that had Kelly Frederick’s position prior to Kelly being hired, has returned on a limited basis to assist Beth Leet. He reported Beth has agreed to assume Kelly’s old position and Shawn is guiding her in the process. Mr. Glorioso reported our front desk temporary position in the Des Plaines Office is vacant and we are seeking a replacement. He further reported Dave Suarez and Dave Egan are in the process of interviewing a possible new hire for the IT department position. He stated, this additional person will help with the IT work load. We have posted for two new positions in Springfield, an Appraisal Specialist I and an Appraisal Specialist Trainee. The job descriptions were distributed to the board members.

Mr. Glorioso reported we have received our FY20 Affirmative Action Report from the Department of Human Rights. We have been determined to be in compliance. A copy of the report was distributed to the Board Members.

Mr. Glorioso reported we have received the Auditor General’s Report for the two years ending June 30, 2018 which was recently received by the PTAB. The report was mailed to the Board Members and copies were also available at the Board Meeting. The AG cited the PTAB in three areas: timeliness of the speedy hearing for all appeals; lack of adequate controls over State property records and related reporting.

Mr. Glorioso discussed the Cook County Board of Review (CC BOR) Motion to Reconsider Defaults of some 1,596 cases for lack of evidence filing with the PTAB. CCBOR requests that PTAB rescind its default in all cases. Mr. Suarez’s response was previously distributed to the Board Members.
Mr. Glorioso discussed a request from the Lake County Board of Review Motion to Reconsider Denial of Extensions, Vacate Defaults, and Extend Deadline to Submit Evidence. A copy of the Motion was distributed to the Board Members.

Mr. Glorioso reported on the Governor’s General Counsel Report for this month. This Report was distributed to the Board Members as referenced under Agenda Item 7. Other Business.

Mr. Glorioso reported on the new Administrative Law Judge’s schedule implemented for Pre-Hearing Conferences (PHC). He reported the PHC schedule has been updated to a 6-month cycle on the 2nd Wednesday of each month. He further reported any matter outstanding that has not been settled will be set for hearing at the PTAB offices in March. Mr. Suarez has procured and will set up seven (7) Microsoft tablets for use by the ALJs at their PHCs.

Mr. Glorioso reported all stipends and back-pay have been paid to eligible recipients and we can consider this matter closed.

Mr. Glorioso reported he, Mr. Steve Waggoner, and Mr. JJ Moffat had a meeting with GOMB and members of the Governor’s Staff on November 5th in both Springfield and Chicago (JRTC). Each agency was requested to prepare two scenarios for FY 21 budget requests. Scenario 1 was for General Funds, Other State Funds and Federal Funds. Scenario 2 was for General Funds and Other State Funds. The Governor and Director Sturm’s letter was distributed. He further reported, we are required to present a proposed budget with a 5% increase and a second budget with a 6.5% decrease. We are also required to institute two initiatives and cost saving devices. Two such items are on-line filing and filing fees. The proposed budgets were distributed to the Board Members.

Mr. Glorioso reported on the CMS policy on building closing. A copy of the CMS Policy was distributed to the Board Members.

Mr. Glorioso distributed a memorandum and read aloud a voicemail message sent from a taxpayer, complimenting one of our staff members, Jacqui Rekesius, for providing outstanding service. Mr. Glorioso and the Board thanked Ms. Rekesius for her good work.

Mr. Glorioso reported, today’s meeting covers the first four months of the new fiscal year. We have closed a total of 2,206 decisions for this month. Our backlog of pending cases is currently at 66,089.
Mr. Glorioso reported next month’s meeting will take place on Tuesday, December 17, 2019 in the PTAB offices in Springfield and Des Plaines. Mr. Glorioso wished all a Happy Thanksgiving Holiday.
