The breakdown of the cases is below.
ii. 2789 Oak (HP) LLC: #17-01503-R-3 (Lake)

Motion to Vacate Default

Lake County BOR by and through its attorneys requests the PTAB vacate a default made in an outstanding PTAB appeal and accept the previously filed Notes on Appeal and supporting evidence. The Lake County Board of Review was notified of the appeal on September 6, 2018 and was granted a 90-day extension to submit evidence with a due date of December 5, 2018. On December 4, 2018, the LCBOR requested a 120-day extension. On February 6, 2019, the PTAB granted the LCBOR a final 90-day extension, which expired on May 7, 2019. The LCBOR Chief Appraiser for the Lake County Chief Assessment Office was waiting for a possible resolution on the matter. Within days of the due date, there was no resolution and the LCBOR Chief Appraiser finished his work on the matter before the May 7, 2019 deadline. Due to a miscommunication with clerical staff, the Notes on Appeal and evidence was not submitted to PTAB until May 17, 2019 and received by PTAB on May 20, 2019.

By letter dated September 12, 2019, the PTAB notified the LCBOR that it was found to be in default for not submitting evidence. The evidence was actually filed late.

Lake County BOR argues that PTAB has previously granted an extension after PTAB entered default against the LCBOR in a different Lake County appeal, PTAB Docket No. 16-02354. In that appeal a staff member of the Lake County BOR mistakenly did not manually drag and drop the appeal PDF from the PTAB into the Lake County BOR’s docketing system, therefore, none of the LCBOR staff who handle evidence submissions to PTAB were aware of the appeal, no evidence was submitted, and the LCBOR was defaulted by the PTAB. On motion by the LCBOR, the PTAB vacated the default and granted the LCBOR a final 60-day
extension. Based on this precedent, LCBOR requests PTAB vacate default in the above-captioned matter and accept the previously filed Notes on Appeal and supporting evidence. LCBOR requested that its motion be granted and accept LCBOR’s evidence as timely submitted by retroactively applying a two-week extension to after the PTAB received the Notes on Appeal and supporting evidence from LCBOR.

The appellant has requested the assessment of the subject property be reduced from $1,610,452 to $833,250 based on appraisal estimating the property has a market value of $2,500,000 and a sale for a price of $2,500,000 in December 2016.

The Motion to Vacate Default was not served on the appellant’s counsel.

Motion to Leave to Intervene Instanter

The appellant timely filed the appeal from a decision of the Kane County Board of Review (BOR) on January 4, 2019. Evidence consisted of an appraisal prepared by J. Edward Salisbury estimating the property had a market value of $4,880,000 as of January 1, 2017. The BOR was notified of the appeal on March 14, 2019 and granted a 90-day extension until June 12, 2019 to submit evidence. On March 29, 2019, the BOR submitted a Certificate to the PTAB informing it that copies of the appeal petition were mailed to the taxing districts on March 29, 2019. On June 12, 2019, the BOR requested a further extension of time to submit evidence. On July 10, 2019, the PTAB granted the BOR a final 60-day extension, which expired on Monday, September 9, 2019. The BOR submitted its evidence on September 9, 2019. The BOR evidence consisted of a Review Appraisal with the intended users being West Aurora School Dist. #129, the Kane County Supervisor of Assessments and the PTAB. The review appraiser arrived at an estimated value of $8,800,000.

Based on the date of the Certificate, any interested taxing body had until 60 days from March 29, 2019 or until May 28, 2019, to file a Request to Intervene. (See 1910.60(e)).

On August 26, 2019, West Aurora School Dist. No. 129 filed the Motion for Leave to Intervene. The School District’s counsel contends the subject property is the subject matter of an appeal for the 2017 tax year under Docket No. 17-00448, in which the School District timely intervened. In checking the rebuttal period for the 2017 appeal, counsel discovered that the appellant had filed the 2018 appeal. Counsel asserted he then contacted the School District to determine if it had received notice of the 2018 appeal. According to counsel, Ryan Abrahamson,
Director of Finance for the School District, who handles property tax matters and notices of BOR complaints and PTAB appeals, asserted he did not receive notice from the Kane County Board of Review. Abrahamson submitted an affidavit, attached to the Motion as Exhibit B, affirming he did not receive notice for the 2018 appeal. Counsel then contacted Donna King, PTAB Coordinator for the BOR, who informed Counsel that she personally prepared the notice for the 2018 appeal and sent it to the taxing districts on March 29, 2019. A copy of the notice was attached as Exhibit A to the Motion and includes Abrahamson’s address.

The School District contends the appellant submitted the same appraisal for the 2017 and 2018 appeals. The School District contends that based on the cost expended to obtain and file its evidence in 2017, the interests of substantial justice and equity require that it be permitted to intervene in the 2018 appeal. With the Motion, the School District submitted its Request to Intervene, Resolution authorizing intervention, and its evidence, consisting of the same appraisal as submitted in the 2017 appeal, marked as Exhibit D, which is the same as has been submitted by the BOR in the 2018 appeal.

The appellant responded to the Motion to Intervene. The appellant contends any request to intervene should have been filed on or before May 28, 2019. The appellant asserts that no requests to intervene by any taxing districts were filed by that date. It argued the School District filed the instant motion on August 26, 2019, three months after the filing deadline to intervene closed. The appellant noted the School District asserted that it did not receive notice of the 2018 appeal until August of 2019, however, the PTAB’s rules allow the BOR to send notices to the taxing districts by regular mail, no requirement that it be certified. It argued that simply stating that the School District has no record of receiving notice is insufficient and would open the floodgates to allow any taxing district to file a Motion to Intervene in any case pending before the PTAB at any time after the deadline. The appellant contends the PTAB rules have anticipated this scenario, pursuant to Section 1910.40(f) of the PTAB’s rules, the Board of Review is required to take the step of certifying to the PTAB within 30 days of receipt of the over $100,000 appeal notice from the PTAB, that the Board of Review mailed the notices to the taxing districts. The sole purpose of the rule requiring the Board of Review to prepare, sign, and submit a Certificate of Service to the PTAB is to demonstrate that the notices were timely mailed to the taxing districts. The appellant contends the factual evidence in this case, which includes both the notification letter sent to the School District from the BOR and the Certificate of Service filed with the PTAB, soundly defeats the School District’s claim that it has no record of receipt.
Motion to Reconsider

The PTAB issued a decision in the above matter on October 15, 2019, confirming the BOR assessment of the subject property totaling $22,312. On November 12, 2019, the Appellant filed a request asking the PTAB to reconsider its decision in the appeal. The appellant hand-delivered her supporting documents to the DPO to the direction of the Director. The Director was not made aware of the additional documentation until several weeks later. Appellant asserts that the PTAB did not properly consider the evidence, specifically the adjustments methodology made by her in a Comparative Market Analysis because “none of the four stated purposes for allowing a real estate broker to prepare a CMA apply to this real estate tax assessment appeal.” Appellant request that the PTAB reconsider the decision, make appropriate changes and recognize the value of the property at $133,500.00, which would result in a total revised assessment of $13,350. This is more in line with the value concluded in previous years wherein she received reductions for each year.
