ILLINOIS COMMERCE COMMISSION

Thomasson Electric, Inc.    :
Petition for Cancellation of Authority of :
Certificate to Install Energy Efficiency  :
Measures.                   :

ORDER

By the Commission:

On October 15, 2019, Thomasson Electric, Inc. (“Petitioner”) filed a verified Petition
with the Illinois Commerce Commission (“Commission”) seeking to cancel its Certificate
of Service Authority to install energy efficiency measures pursuant to Section 16-128B of
the Public Utilities Act (“Act”). 220 ILCS 5/16-128B.

Petitioner was granted a certificate in Docket No. 18-0821. The Petitioner now
indicates that it has ceased operations and requests that the certificate granted in Docket
No. 18-0821 now be cancelled. Petitioner indicates in the Petition that no customers will
be affected by this cancellation. Commission Staff did not participate, nor were any
petitions to intervene filed. Since all facts necessary for the Commission to grant the
requested relief are contained in the Petition, no hearing is necessary.

The Commission, having considered the entire record herein and being fully
advised in the premises, is of the opinion and finds that:

(1) Thomasson Electric, Inc. was granted a Certificate of Service Authority to
    install energy efficiency measures pursuant to the requirements of the Act
    and 83 Ill. Adm. Code 462;

(2) the Commission has jurisdiction over the Petitioner and the subject matter
    hereof;

(3) the recitals of fact set forth in the prefatory portion of this Order are
    supported by the record and are hereby adopted as findings of fact;

(4) insofar as the service Petitioner offered in Illinois is offered by other energy
    efficiency installers, cancellation of Petitioner’s certificate will not deprive
    Illinois residents of any necessary service and is not otherwise contrary to
    the public interest; and

(5) the Petition should be granted.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that the
Certificate of Service Authority previously granted to Thomasson Electric, Inc. in Docket
No. 18-0821, is hereby cancelled.
IT IS FURTHER ORDERED that pursuant to Section 10-113(a) of the Public Utilities Act and 83 Ill. Adm. Code 200.880, any application for rehearing shall be filed within 30 days after service of the Order on the party.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By Order of the Commission this 8th day of January, 2020.
